

Add2Exchange End User License Agreement.

This EULA covers both the Retail License and the Original Equipment Manufacturers License. By proceeding, you agree to be bound by one of the following options. [Option #1 is the Retail License and Option #2 is the OEM License]. This is your END-USER LICENSE AGREEMENT ("EULA") FOR DIDITBETTER SOFTWARE(r). IMPORTANT-READ CAREFULLY: This End-User License Agreement ("EULA") is a legal agreement between you (whether an individual or an entity) and [Option #1 - DIDITBETTER SOFTWARE, a division of Advantage International, Inc. ("DIDITBETTER SOFTWARE")] or [Option #2 - the manufacturer ("Manufacturer") of the Hardware (defined below) you acquired on which the Software (defined below) was loaded pursuant to a license to the Manufacturer from the owner of the Software, DIDITBETTER SOFTWARE. , a division of Advantage International, Inc. ("DIDITBETTER SOFTWARE")]. By installing, copying or otherwise using the Software Product, you agree to be bound by the terms of this EULA for the licensing of this product. If you do not agree to the terms of this EULA, you may not use the Software Product, and you should promptly contact [Option #1 - DIDITBETTER SOFTWARE] [Option #2 - Manufacturer"] for instructions on immediate return of the Software Product.

1. LICENSE.

(a) Software Installation and Use. You may use the Software Product for a period of up to Twenty (20) days from installation without purchasing a license. After such period, you may not use the Software Product without payment of the then current license fee for the Software Product set forth at "www.DidITbetter.com" (the "License Fee"). Upon payment of the License Fee, you shall have a non-exclusive license to use the Software Product on the Computer, and if licensed per Server name, exchange server organization (O) and organizational Unit (OU) combination, for all users connected to that exchange server's named Organizational Unit. The Software Product is licensed, not sold. These software end user license agreements DO NOT cover the use of the software as used for the basis of a regional, national or international information subscription service. Licensing for use of the software as an information subscription service to consumers who subscribe to the service is negotiated on a case-by-case basis under a separate licensing agreement.

(b) Network Services. Except as may otherwise be provided below, if the Software Product documentation indicates that the Software Product includes functionality that enables the Computer to share resources over a network, more than one computer may access the basic network services of Software Product on the Computer. The product can be installed and configured for an Exchange Cluster.

(c) Storage/Network Use. You must purchase a separate license for the Software Product for each computer on which the Software Product is used or to which it is distributed. [Unless such separate licenses are acquired, you may not store or install a copy of the Software Product to allow other computers to use the Software Product, or otherwise distribute the Software Product.] If you purchase a license that is for one computer operating in sync, this section does not apply to you.

(d) [Electronic download] or [Installation CD Software: You have a limited nonexclusive right to provide to third parties copies of the [CD Software] included on the [DIDITBETTER SOFTWARE CD]

("Application"), provided that: (a) you comply with the export restrictions in Section 6; (b) you do not use DIDITBETTER SOFTWARE's name logo, or trademarks for any purpose; (c) you include a valid DIDITBETTER SOFTWARE copyright notice in your Application; (d) you also provide the [ODBC files and support files if applicable] in conjunction with DIDITBETTER SOFTWARE recommended install methodology, and you also provide components specified in the README file; (e) you do not accept any consideration therefore, except for the cost to you of producing the CD, not to exceed \$5.00 per CD; (f) you do not modify the [CD's Files]; and (g) you indemnify, hold harmless, and defend DIDITBETTER SOFTWARE, [Option #2 - Manufacturer,] and their suppliers from and against any losses, damages, liability claims or lawsuits, including attorneys' fees, that arise or result thereof; (h) each such third party agrees to be bound by this EULA and to pay to DIDITBETTER SOFTWARE the applicable License Fee; (i) you may not distribute any key provided with the Software Product; and (j) you may not distribute more than ten (10) copies of the Software Product without providing prior written notice thereof to DIDITBETTER SOFTWARE. You shall display any DIDITBETTER SOFTWARE patent or proprietary notices on each copy of each CD, including without limitation any notices used by DIDITBETTER SOFTWARE in its documentation or related materials for the Software Product, or otherwise subsequently provided to you by DIDITBETTER SOFTWARE, [Option #2-or Manufacturer.] [The original CD or downloaded files must be the original copy.]

2. DESCRIPTION OF OTHER RIGHTS AND LIMITATIONS.

(a) Speech Recognition. If the Software Product includes a speech recognition component, you acknowledge and agree that the speech recognition function is inherently a statistical process; that recognition errors are inherent in the process of speech recognition; that it is your responsibility to provide for handling such errors and to monitor the speech recognition process and correct any errors. Neither DIDITBETTER SOFTWARE, Manufacturer nor any of their suppliers shall be liable for any damages arising out of errors in the speech recognition process.

(b) Application Sharing with NetMeeting(TM) Conferencing Software. The Software Product may contain technology that enables applications to be shared between two or more computers, even if an application is installed on only one of the computers. You may use this technology with all DIDITBETTER SOFTWARE products only for multi-party conferences, and must have valid licenses from the Manufacturer. For non-DIDITBETTER SOFTWARE applications, you should consult the accompanying license agreement or contact the licensor to determine whether application sharing is permitted by the licensor. You must comply with all applicable laws regarding the use of the Software Product.

(c) JAVA Support. The Software Product may contain support for programs written in JAVA. You acknowledge and agree that JAVA technology is not fault tolerant and is not designed, manufactured, or intended for use or resale as on-line control equipment in hazardous environments requiring fail-safe performance, such as in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, direct life support machines, or weapons systems, in which the failure of JAVA technology could lead directly to death, personal injury, or severe physical or environmental damage.

(d) Multiple Processor Version Selection. The CD or diskette(s) on which the Software Product resides may contain several copies of the Software Product, each of which is compatible with a different microprocessor architecture, such as the x86 architecture or various RISC architectures ("Processor Version(s)"). You may install and use only one copy of one Processor Version of the Software Product on the Computer.

(e) Language Version Selection. [Option #2 only - Manufacturer may have elected to provide you with a selection of language versions for one or more of the DIDITBETTER SOFTWARE software products licensed under this EULA.] If the Software Product is included in more than one language version, you are licensed to use only one of the language versions provided. As part of the setup process for the Software Product you will be given a one-time option to select a language version. Upon selection, the language version selected by you will be set up on the Computer, and the language version(s) not selected by you will be automatically and permanently deleted from the hard disk of the Computer.

(f) Prohibition on Reverse Engineering, Decompilation and Disassembly. You may not reverse engineer, decompile, or disassemble the Software Product.

(g) Separation of Components. The Software Product is licensed as a single product. Its component parts may not be separated for use on more than one Computer.

(h) Single Computer. The Software Product is licensed with the Hardware as a single integrated product. The Software Product may only be used with the Computer as set forth in this EULA.

(i) Single EULA. The package for the Software Product may contain multiple versions of this EULA, such as multiple translations and/or multiple media versions (e.g., in the user documentation and in the software). In this case, this Software Product is licensed by number of relationships per Exchange organizational unit. The terms of a printed, paper EULA that may accompany the Software Product supercede the terms of any on-screen EULA found within the Software Product.

(j) Rental. You may not rent, lease, or lend the Software Product.

(k) Software Transfer. The Software Product license is non-assignable and non-transferable.

(l) Termination. Without prejudice to any other rights, DIDITBETTER SOFTWARE or Manufacturer may terminate your right to use the Software Product under this EULA if you fail to comply with the terms and conditions of this EULA. In such event, you must destroy all copies of the Software Product and all of its component parts.

3. UPGRADES. If the Software Product is labeled as an upgrade, you must be properly licensed to use a product identified by DIDITBETTER SOFTWARE, or Manufacturer as being eligible for the upgrade in order to use the Software Product ("Eligible Product"). If you are a licensed end user of Software Product with an expired software maintenance policy, you are not licensed to use Eligible Product; however, you may purchase a current version upgrade license of the Software Product. A Software Product labeled as an upgrade replaces and/or supplements the Eligible Product that came with the

original license. You may use the resulting upgraded product only in accordance with the terms of this EULA.

4. TITLE AND INTELLECTUAL PROPERTY RIGHTS. The Software Product constitutes the intellectual property of DIDITBETTER SOFTWARE. Applicable intellectual property laws and treaties protect the Software Product, including without limitation copyright laws and international copyright treaties. All title and intellectual property rights, including without limitation patents, trademarks and copyrights in and to the Software Product (including but not limited to any images, photographs, animations, video, audio, music, text and "applets," incorporated into the Software Product), the accompanying printed materials, and any copies of the Software Product, are owned by DIDITBETTER SOFTWARE. You may not copy the printed materials accompanying the Software Product. DIDITBETTER SOFTWARE reserves all rights not specifically granted under this EULA.

5. SOFTWARE MEDIA. The Software Product is available as a web download and CD. You may receive the Software Product in more than one medium. Regardless of the type or size of medium you receive, you may use one medium per Computer. [You may install the other medium on another computer, as long as they are not operated simultaneously under one EULA.] You may not loan, rent, lease, or otherwise transfer the other medium to another user, except as part of the permanent transfer (as provided above) of the Software Product.

6. INTENTIONALLY DELETED AND REPLACED. This Software is for use globally in all countries where United States of America does not have a trade embargo.

7. PRODUCT SUPPORT. [Option #2 only - DIDITBETTER SOFTWARE or its subsidiaries do not provide product support for the Software Product. For product support, please refer to Manufacturer's support number provided in the documentation for the Hardware]. DIDITBETTER SOFTWARE provides paid product support as outlined at www.DidITbetter.com.

8. Should you have any questions concerning this EULA, or if you desire to contact Manufacturer for any other reason, please refer to the address provided in the documentation of the product purchased, or if bought with Hardware, to the Hardware Manufacturer.

9. LIMITATION OF LIABILITY. DIDITBETTER SOFTWARE shall not be liable for any loss of data, lost profits, or any special, direct, indirect, or consequential damages arising out of this contract or the use of any materials or services provided hereunder. DIDITBETTER SOFTWARE shall not be liable for any damages or delay caused by acts of God, war, riot, civil unrest, labor disputes, material shortages, or other causes beyond the control of DIDITBETTER SOFTWARE. These include but are not limited to service packs, updates, 3rd party products, and/or services rendered or failed to be rendered by 3rd party service providers. DIDITBETTER SOFTWARE shall have no liability for delays in delivery of the Software. DIDITBETTER SOFTWARE MAKES NO WARRANTY WITH RESPECT TO SOFTWARE OR DOCUMENTATION, INCLUDING THEIR QUALITY, PERFORMANCE, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE. THE SOFTWARE IS LICENSED AS IS AND THE LICENSEE ASSUMES THE ENTIRE RISK OF ITS QUALITY AND PERFORMANCE. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, DIDITBETTER SOFTWARE MAKES NO WARRANTIES OR ANY KIND WHATSOEVER EXPRESS OR IMPLIED, AND ALL

IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED AND EXCLUDED FROM THIS AGREEMENT.

10. INDEMNITY. You shall defend, indemnify and hold harmless DIDITBETTER SOFTWARE [Option #2-and Manufacturer] against any and all claims, suits and actions brought by third parties against DIDITBETTER SOFTWARE [Option #2-or Manufacturer] arising out of your use or operation of the software in an improper manner.

11. DEFINITIONS. (a) The term "Computer" means the Hardware on which the Software Product is preloaded or loaded or initially installed. (b) "Software" or "Software Product" means the DIDITBETTER SOFTWARE software product(s) identified above or on the Product Identification Card accompanying this EULA or on the Product Identification Label attached to the product package.

12. ASSIGNMENT. Under no circumstances may the Software license or registration code be given away, transferred, conveyed or assigned.

13. SEVERABILITY. If any provision of this EULA is held to be illegal, invalid, or unenforceable, the provision shall be severable and this EULA shall be construed and enforced as if such provision were never a part hereof, and the remaining provisions hereof shall remain in full force and effect.

14. GOVERNING LAW. This EULA and the rights and obligations of the parties hereto shall be governed by and construed and enforced in accordance with the laws of the State of Florida, with arbitration in the county of Hillsborough.
